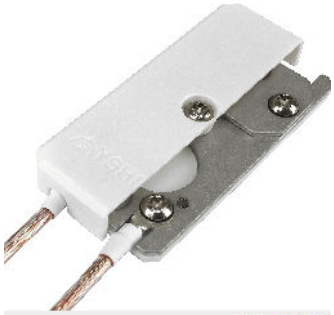
YSHIELD® GF2 | Grounding housing 40x80 mm

Medium-sized surface/flash mounting housing 40x80 mm, for the installation directly on shielding products or for clamping the grounding straps.



Medium-sized surface/flash mounting housing 40x80 mm, for the installation directly on shielding products or for clamping the grounding straps. **With a clamping point for grounding straps preferably for small surfaces with shielding paint, shielding mesh, shielding plaster, reinforcement fabric. Usage on the interior as well as the exterior (additional seal necessary). One piece is needed per surface. Flush mounted with a height of 11 mm is thinner than a drywall construction board.**

- Connectivity: 1 clamping point. 2 cable connections
- Scope of delivery: Aluminium plate 35x75x2 mm, plastic cover 40x80x11 mm, 20 cm grounding strap, all necessary screws, discs, dowels, cable lugs and a screwing tool with Torx®-Bits. Cable is not included in the scope of delivery – we recommend our pre-assembled cables GL.
